PARENT PORTAL LAUNCH

8 February 2017

Dear Parents and Guardians

St Augustine's College is excited to launch our new Parent Portal.

Access is restricted to parents and guardians of students at our school and a logon is required. An account has been created for you and the details on receiving a password are outlined in the attached document.

The Parent Portal will enable easy access to information about happenings in the school, forms that need to be returned, names and contact details for staff, policy information and much more.

There's also a special section to allow you to check the details we have recorded in our enrolment system about your children, and if necessary, advise us of any changes.

You can also check on information about your child's attendance, Academic reports, teachers, timetable, NAPLAN performance and report cards.

We will be making increasing use of the Parent Portal to provide a range of information to parents in the future.

The initial login requires you to verify your identity and create a password. This document will lead you through the process. Please follow the steps carefully.

I hope that you find the new portal an easy and engaging tool for you to connect with Saints.

With best wishes,

Br Darren Burge FMS
